The Holy Apostle and Evangelist Luke, October 18

O Holy Apostle and Evangelist Luke, intercede to our merciful God, that He may grant our souls forgiveness of sins.

The holy apostle and evangelist Luke was born in Antioch. In his youth, he excelled in his studies of Greek philosophy, medicine and art. During the ministry of the Lord Jesus on earth, Luke came to Jerusalem, where he saw the Savior face to face, heard His saving teaching and was witness to His miraculous works. Coming to belief in the Lord, St. Luke was numbered among the Seventy Apostles, and was sent out to preach. With Cleopas, he saw the Resurrected Lord on the road to Emmaus (Luke 24). After the Descent of the Holy Spirit, Luke returned to Antioch and there became a fellow worker of the Apostle Paul and traveled to Rome with him, converting Jews and pagans to the Christian Faith. *“Luke, the beloved physician, greets you”*, writes the Apostle Paul to the Colossians. (Colossians 4:14).

At the request of Christians, St. Luke wrote his Gospel in about the year 60. Following the martyrdom of the great Apostle Paul, St. Luke preached the Gospel throughout Italy, Dalmatia, Macedonia and other regions. He painted icons of the Most-holy Theotokos-not just one, but three-and icons of the Holy Apostles Peter and Paul. Hence, St. Luke is considered to be the founder of Christian iconography. In old age, he visited Libya and Upper Egypt. From Egypt he returned to Greece, where he continued to preach and convert many with great zeal despite his old age. In addition to his Gospel, St. Luke wrote the Acts and dedicated both works to Theophilus, the governor of Achaia. Luke was eighty-four years old when the wicked idolaters tortured him for the sake of Christ and hanged him from an olive tree in the town of Thebes, in Boethia. The miracle-working relics of this wonderful saint were transported to Constantinople in the reign of Emperor Constantius, the son of Constantine. If you look at our Icon-screen you will see the Icon of St. Luke on the Royal Doors. What is interesting is that behind St. Luke we see a calf, which is the third symbolical beast mentioned in the Book of Ezekiel (1:10), which is also the symbol of Christ’s sacrificial and priestly office, as Saint Irenaeus says. The calf became the emblem of St. Luke because he also begins his Gospel with the announcement of John’s birth to the righteous Zacharias who was a priest in the temple of Jerusalem where sacrifices were offered before God.
