On this special day, we will welcome His Grace, Most Reverend Bishop Bohdan J. Danylo in our midst. Bishop Bohdan, as our spiritual father, wishes to be with us, to pray with us, and to celebrate the Divine Liturgy.

### **Announcements:**

#### **Today: Sunday of the Paralytic**

On this Fourth Sunday of Pascha we commemorate the miraculous healing of the paralytic man at the pool of Bethesda in Jerusalem. During Matins (Morning Service) for this Sunday we sing: "The paralytic was not healed by the pool, but the Word renewed him". Together we witness that the Word of Christ can heal us also, for it is more powerful and more effective than any medicine, than any merely human idea, culture, or political movement.

#### **Next week, April 29, 2018: Tree planting and Photo session**

In preparation for the St. George Centennial Celebration we will plant two beautiful Crab Apple Trees in the front yard of our Church following the Divine Liturgy. Children of our parish are welcome to assist in this process. Also, we will have a photo session of church organization as PAC council, Chant group, Bethany Ministry etc. I ask all members to be present in order to have these pictures ready for our anniversary book. . ***What’s the name....***

The story is told of a student taking an exam, who had studied hard and knew all the material, so he breezed through the first nine questions. When he got to the last question, however, he was stuck. It read, “What is the first name of the woman who cleans this school?”

He figured it was some kind of joke. He had seen the cleaning lady lots of times around the school. He could even describe her: tall, dark-haired, in her 50s, but he had no idea what her name was.

As he handed his exam in, with the last question still blank, he asked the professor if that question really counted toward their grades.

“Absolutely,” the professor replied. “You’ll meet many people during your careers. All of them are significant. They deserve your attention and care, even if all you do is smile and say ‘hello.’”
