Just a Tap on the Shoulder...

A passenger in a taxi leaned over to ask the driver a question and tapped him on the shoulder. The driver screamed, lost control of the cab, nearly hit a bus, drove up over the curb, and stopped just inches from a large plate glass window.

For a few moments everything was silent in the cab, and then the still shaking driver said, 'I'm sorry, but you scared the daylights out of me.' The frightened passenger apologized to the driver and said he didn't realize a mere tap on the shoulder could frighten him so much. The driver replied, 'No, no, I'm sorry, it's entirely my fault. Today is my first day driving a cab...I've been driving a hearse for the last 25 years.'

Kids and God

A father was at the beach with his children when the four year old son ran up to him, grabbed his hand, and led him to the shore where a seagull lay dead in the sand. "Daddy, what happened to him?" the son asked. "He died and went to Heaven," the Dad replied. The boy thought a moment and then said, "Did God throw him back down?"

The Church was a mother to you in life, providing for your spiritual needs; please remember the Eparchy of Saint Josaphat in Parma and your parish of St. George, Pittsburgh in your last will and testament. The wording to do this is as follows:

"I give and bequeath to the Ukrainian Catholic Diocese of St. Josaphat in Parma, located in Parma, Ohio, or St. George Church located in Pittsburgh, PA _____% of the residue of my estate [or: the sum of \$_____]."
