**The Servant of God Metropolitan Andrey**  
(\*July 22, 1865 - +November 1, 1944)

The Metropolitan lay calmly with eyes shut and breathed with difficulty, as he had previously. Then he began to pray again. He opened his eyes and began to talk to us:

*"Our Church will be ruined, destroyed by the Bolsheviks, but you will hold on, do not renounce the faith, the Catholic Church. A difficult trial will fall on our Church, but it is passing. I see the rebirth of our Church, it will be more beautiful, more glorious than of old, and it will embrace all our people. Ukraine, the metropolitan continued, "will rise again from her destruction and will become a mighty state, united, great, comparable to other highly-developed countries. Peace, wellbeing, happiness, high culture, mutual love and harmony will rule here. It will all be as I say. It is only necessary to pray that the Lord God and the Mother of God will care for our poor tired people, who have suffered so much, and that God's care will last forever."*

-from an interview with Fr. Yosyf Kladochnyi about Metropolitan Andrey Sheptytsky's last moments of earthly life.

#### ***Prayer for the Beatification of the Servant of God Metropolitan Andrey***

Our Lord Jesus Christ - You always regard Your faithful servants, not only with special gifts of Your love, but also with the eternal reward of the saints in heaven, and in many cases You grant them the recognition of sanctity by Your Church here on earth.

We humbly pray: grant that Your faithful servant Metropolitan Andrey be numbered among the saints. Throughout his just life, "full of suffering and trials," he was a good shepherd for his flock and a great labourer for Christian unity. And through his beatification and intercession, grant our entire people the great gift of unity and love. Amen.

## Church Humor

A man trying to understand the nature of God and asked him: "God, how long is a million years to you?"

God answered: "A million years is like a minute."

Then the man asked: "God, how much is a million dollars to you?"

And God replied: "A million dollars is like a penny."

Finally the man asked: "God, could you give me a penny?" And God said, "In a minute."

*Please, remember to turn your clock 1 hour back next Saturday, November 7, 2021 before you go to bed. Standard Time Resumes!!!*

## THE UNMERCENARY HEALERS

*The divinely wise Cosmas and Damian, the ever-memorable pair, made themselves fully the dwelling of the Trinity. They pour forth the waters of healing like torrents from the life-giving Source, by their touch, their relics cure suffering, and their very names drive infirmities away from all those who turn to the saving harbor of Christ. They pray with boldness on behalf of our souls.*

Every year on November 1<sup>st</sup> our Holy Church celebrates the memory of the Unmercenary Healers and Physicians. These are the saints that are especially known for being in the medical field and for being gifted with the power of healing. The saints healed always in the Name of our Lord Jesus Christ. They also used the medical procedures and medications of their day. The hymnology of the day mentions these saints by name: the Apostle and Evangelist Luke, the excellent healer of the infirm Antipas, Charalampus and Blaise, the most honored hieromartyrs; Spyridon and Modestus, the all-splendid luminaries of the Church; the three pair of divinely wise saints Cosmas and Damian, who shared the same name and the same ways; Cyrus and the glorious John; the divine Panteleimon and Hermolaus; the Nun-Martyr and deliverer from depression, Maria of Gatchina; Luke the Archbishop and Surgeon of Crimea in Ukraine.

Like all of the saints these Unmercenary Physicians dedicated themselves to God, becoming the first missionary physicians of the Christian Church. They preached the Christian Faith and treated the sick without accepting any payments or rewards for their services. They also gave to the poor whatever earthly possessions they had. Living in terrible poverty for God's love, all were renamed "Unmercenaries" which means "not influenced by financial gain". Seeing their humility, sacrifices, and dedication, God blessed them with the special gift of working miracles. The saints used God's gift to cure all kinds of diseases through the holy name of Jesus Christ. They cured lepers, made the paralyzed to walk, drove off evil spirits, healed the blind, and even raised the dead. All these wonders were performed by the power of God, through the prayers of these saints. Hundreds of years after their death, the faithful still turn to these saints for healing of their illnesses and for comfort for their souls. The saints continue to perform miracles by interceding to our Lord Jesus Christ for those who pray with faith.
