St. Andrew the First-Called Jesus' First Disciples

John 1:35f) The next day John was here again with two of his disciples. 36 When he saw Jesus passing by, he said, "Look, the Lamb of God!" When the two disciples heard him say this, they followed Jesus. Turning around, Jesus saw them following and asked, "What do you want?" They said, "Rabbi" (which means Teacher), "where are you staying?" "Come," he replied, "and you will see." So they went and saw where he was staying and spent that day with him. It was about the tenth hour. Andrew, Simon Peter's brother, was one of the two who heard what John had said and who had followed Jesus. 41 The first

thing Andrew did was to find his brother Simon and tell him, "We have found the Messiah" (that is, the Christ). And he brought him to Jesus.

St. Andrew in Tradition

After the Descent of the Holy Spirit upon the Apostles, St. Andrew went to the Eastern lands preaching the Word of God. He went through Asia Minor, Thrace, Macedonia, and Ukraine. He stopped overnight on the hills of Kyiv. Rising in the morning, he said to those disciples that were with him: "See these hills? Upon these hills shall shine forth the beneficence of God, and there will be a great city here, and God shall raise up many churches." The apostle went up around the hills, blessed them and set up a cross. He also went to Thrace, where in the small village of Byzantium, the future Constantinople, he founded the Church of Christ. On his journeys the First-Called Apostle endured many sufferings and torments from pagans, but through the prayers of the Apostle, the Lord worked many miracles.

Christmas Advent Project!

For our Advent Project this year, I would like us to help the sick and displaced animals in Ukraine. The ongoing conflict has left countless pets and livestock abandoned, injured, and in desperate need of care. **In our church's vestibule we have a box (made by Marta Hohosha) for donations to support shelter for the sick and displaced animals in city of Kharkiv, Ukraine.** <https://www.animalrescuekharkiv.org/> I am working with an organization to ensure that any donations we provide will get where it is needed most. Let us do whatever we can to help. See Fr. Igor for more information.

Fire Suppression System Project I received a quote of \$2,289 to bring our fire suppression system to meet all insurance and health department requirements. This test must be done every 10 years. This cost is necessary as this provides safety in the kitchen which supports our pyrohy and nut roll projects. If you can offer any donation to offset these costs, it would be very much appreciated. Please mark your envelopes accordingly.
