

**Just a Tap on the Shoulder...**

A passenger in a taxi leaned over to ask the driver a question and tapped him on the shoulder. The driver screamed, lost control of the cab, nearly hit a bus, drove up over the curb, and stopped just inches from a large plate glass window.

For a few moments everything was silent in the cab, and then the still shaking driver said, 'I'm sorry, but you scared the daylights out of me.' The frightened passenger apologized to the driver and said he didn't realize a mere tap on the shoulder could frighten him so much. The driver replied, 'No, no, I'm sorry, it's entirely my fault. Today is my first day driving a cab...I've been driving a hearse for the last 25 years.'

***Kids and God***

A father was at the beach with his children when the four year old son ran up to him, grabbed his hand, and led him to the shore where a seagull lay dead in the sand. "Daddy, what happened to him?" the son asked. "He died and went to Heaven," the Dad replied. The boy thought a moment and then said, "Did God throw him back down?"

The Church was a mother to you in life, providing for your spiritual needs; please remember the Eparchy of Saint Josaphat in Parma and your parish of St. George, Pittsburgh in your last will and testament. The wording to do this is as follows:

"I give and bequeath to the Ukrainian Catholic Diocese of St. Josaphat in Parma, located in Parma, Ohio, or St. George Church located in Pittsburgh, PA \_\_\_\_\_% of the residue of my estate [or: the sum of \$\_\_\_\_\_]."

***It is Summer Time!!!***

Summer is here and I'm sure we're all thinking about vacations, relaxing, lots of sunshine (very important for us in Pittsburgh), a slower lifestyle, ball games, visits to the zoo and amusement parks, short trips to places of interest, working around the house, gardening, summer sports leagues, and more...

It seems to me that regardless of the time of year, we all have much for which to thank God, and as His creations, therefore we need to worship our Creator. As you begin to fill the calendar with activities, try not to let Sunday Divine Worship fall by the wayside! For all of us summer should be less stressful which should, in turn, enhance our participation in the Divine Liturgy.

What we see happening in our parishes is that summer means for some "a vacation from God". This is a strange concept for me, which you would probably expect me to say, given my priestly ministry in the Church. I like to think of my summer vacations as an adventure, and visiting different Ukrainian Catholic or Eastern Catholic Churches can be part of this adventure. The different types of architecture, icons, music, vestments, etc. still point to a Church with the same beliefs. Our Divine Worship is timeless, regardless of the time zone, continent, or jurisdiction in which it is offered. When you plan to travel remember to visit the following websites: [www.byzcath.org/index.php/find-a-parish-mainmenu-111](http://www.byzcath.org/index.php/find-a-parish-mainmenu-111), or [www.parishesonline.com](http://www.parishesonline.com); to find lists of all parishes, regardless of jurisdiction. If you are having trouble finding a parish, just check with the parish office for the Ukrainian Catholic or Eastern Catholic Church nearest your vacation site.

Finally, here is a prayer that you can offer before you begin your travels and remember to bring me a parish bulletin from any Church you visit.

***Lord Jesus Christ my God, be my Companion, guide and protector during my journey. Keep me from all danger, misfortune and temptation. By Your divine power grant me a peaceful and successful journey and safe arrival. In You I place my hope and trust and You I praise, honor and glorify, together with Your Father and Holy Spirit now and forever and ever. Amen.***
